PRESS RELEASE

CONTAX Announces Standard Partner Tier with Amazon Web Services

TORONTO ON, - September 19, 2018 – CONTAX Inc., a leading SAP solutions provider, today announced it is now a Standard Consulting Partner within the Amazon Web Services (AWS) Partner Network (APN). CONTAX' new partner status recognizes their capability to provide solutions on the AWS platform.

“We’re very proud to have been awarded the status of Standard Consulting Partner on the AWS Partner Network. It reinforces CONTAX’ commitment to helping our clients leverage the flexibility, scalability and reliability of running SAP workloads on AWS,” said Michael Pearson, President of CONTAX Inc. *“CONTAX has been providing AWS solutions for a long time, and we are glad to have formalized our relationship with this status.”*

The APN is the global partner program for AWS and is focused on helping APN Partners build successful AWS-based businesses or solutions. To qualify for Standard Consulting Partner tier, organizations are required to meet a number of criteria focused around demonstrating the depth and breadth of their AWS knowledge and having a proven track record of successful implementations of AWS tools.
